

AMPAC Candidate Workshops

Have you ever wonder how physicians get elected to Congress or state legislature? Considering a run for office? Join us March 2-4 in Washington, DC at the [AMPAC Candidate Workshop](#) and we'll teach you how to run a winning political campaign, just like we taught many of your colleagues over the years!

The Candidate Workshop is designed to help you make the leap from the exam room to the campaign trail and give you the skills and strategic approach you will need to make a run for public office.

Over the course of the one and half day program, Republican and Democratic political veterans give you expert advice about politics and the sacrifices needed to mount a competitive campaign. You will learn: how and when to make the decision to run; the importance of a disciplined campaign plan and message; the secrets of effective fundraising; what kinds of media advertising are right for your campaign; how to handle the inevitable crises that emerge for every campaign; the role of your spouse and your family; and how to become a better public speaker. Get answers to your questions, and determine if running for public office is for you.

There are still spaces available but hurry - deadline to register is February 2!

NOTE: Faculty, materials (including the pre-school workbooks, videos and all in-person meeting materials) and all meals during the meeting are covered by AMPAC. Participants are responsible for the registration fee (\$250 for AMA Members, Alliance Members, State Medical Society Staff and spouses/ \$1000 for non-members), airfare, and hotel accommodations at the Hyatt Regency Washington on Capitol Hill (AMA has secured a room block for a discounted rate). The registration fee is waived for residents and students, however, space is limited to four slots and the AMPAC Board will review and select qualified participants from the pool of resident and student applicants.
